# **Clockwork Love By Tjep**

The Dutch design studio [Tjep](#) presented a collection of jewelry in the Gallery Ra in Amsterdam. The collection is called Clockwork Love - this is six different projects, that involve human emotions.

This collection - a logical continuation of the project in 2002 Tjep Bling Bling. Clockwork Love is different "heart whims" through the use of free characters, addressing topics such as transience, passion, insecurity and desire.
